# HANDBOOK ON DISCRETIONARY GRANTS LEARNING PROGRAMMES

#### **DEFINITION**

Learning Programmes are structured and purposeful set of learning experiences that lead to a qualification or part-qualification, or a set of knowledge, skills and competencies. This may include AET, learnerships, apprenticeships, skills programmes, skills set, internships, work experience, candidacy, bursary and any other set of learning which may or may not include a structured work experience component.

#### TYPES OF LEARNING PROGRAMMES

LEARNING PROGRAMME	MEANING
Adult Education and Training (AET)	Foundation for lifelong learning programmes designed for adults to improve their level of literacy and numeracy conducted over a period of 12 months.
Apprenticeship	Means a period of workplace-based learning culminating in an occupational qualification for a listed trade.
	A combination of on-the-job training and related classroom instruction in which apprentices learn the practical and theoretical aspects of the designated trade. Apprentices need to do a trade test at the end of their training at accredited Trade Test Centres.
Artisan	Means a person certified as competent in a listed trade in accordance with the relevant legislation, informed by the SDA
Artisan Recognition of Prior	Means principles and processes through which the prior knowledge and skills of a
Learning (ARPL) and	person are made visible, mediated, and rigorously assessed and moderated for the
Recognition of Prior Learning	purposes of alternative access and admission, recognition and certification, or
(RPL)	further learning and development. (SAQA 2013: National Policy for the
	Implementation of RPL and Government Gazette 42319 of 19 March 2019)
Bursaries	Means study grants/financial support awarded for students (employed or unemployed) to enrol at continuing education and training colleges or higher education and training institutions on programmes relevant to the priority skills required in the Food and Beverages sector.
	Financial support awarded to employed and unemployed learners to cover all costs of their studies towards obtaining a qualification at any university or college in South Africa
Candidacy Programmes	Means Practical and work experience training that is an occupational qualification
(Registered Professional	as determined by the relevant professional body and follows the completion of an
Body)	academic qualification required for access to the assessment for the issuing of a
	professional designation. This learning must lead to the issuing of a designation
	registered on the NQF.

LEARNING PROGRAMME	MEANING
Work Experience Graduate	Means a period of workplace-based learning for the purposes of allowing a person who has completed a post-school qualification to gain workplace experience or exposure to enhance competence and/or employability (WBLPA Regulations). A programme designed for students who have already completed and obtained a qualification that is relevant to employment but have not yet gathered the necessary practical experience to enable them to obtain full time employment.
University Placements (Internships)	Means a programme designed to provide learners with supervised on the job training to gather the necessary practical experience to enable them to obtain a full qualification.  This includes: Internship placement for university learners means a period of workplace-based learning undertaken as part of the requirement for the Diploma, National Diploma, Higher Certificate or Advanced Certificate as a vocational qualification stipulated in the Higher Education Qualifications Sub Framework (HEQSF) for a period of 6 or 12 months.
Public TVET placements	Means a programme designed to provide learners with supervised on the job training to gather the necessary practical experience to enable them to obtain a full qualification.  This includes:  Internship Placement for TVET learners means a period of workplace-based learning undertaken as part of the requirement for the N-Diploma (TVET WIL 18 months for Business Diplomas and 24 months for Technical Diplomas.
Learnership	Means a structured learning programme which includes theoretical and practical workplace experiential learning to a maximum period of 18 months, and which leads to an occupationally related qualification registered on the National Qualification Framework.
Skills Programme	Means a learning intervention that has been designed and intended to be an occupational based, short term learning programme, which when successfully completed, will constitute credits towards a qualification registered on the National Qualification Framework.
Skills Sets	means a combination of skills required by learners for the purpose of reskilling, or up-skilling in relation to industry needs. These skills sets may be linked to more than one NQF qualification according to the National Qualification Framework Act No. 67 of 2008 and registered as a credit bearing or non-credit bearing skills programme

## **TERMINOLOGY**

TERMINOLOGY	MEANING	
Co-operatives	<b>Means</b> forms of ownership registered in terms of the Co-operatives Act No. 14 of 2005, as amended.	
	An autonomous association of persons united voluntarily to meet their common economic, social and cultural needs and aspirations through a jointly owned and democratic enterprise. All co-operatives are registered with the Registrar of Cooperatives.	
	FoodBev SETA will work with cooperatives that are developing the skills of beneficiaries/learners that are within the food and beverages manufacturing sector.	
Discretionary Grant	Means funding allocated to incentivise or support education, training and skills development and related activities that will address skills development needs of the food and beverages manufacturing sector.	
	Funds allocated SETA to be spent on learning programme interventions and projects (including strategic and special) that encompass PIVOTAL programmes and Non-PIVOTAL programmes designed to implement the SETA's APP and national imperatives.	
Disability	Means Long-term or recurring physical, psychosocial, cognitive, neurological and/or sensory impairment which denies one access to full participation in all aspects of life, and that substantially limits their prospects of entry, or advancement in employment.	
Due Diligence	Means a verification of information that has been received during application to assess the applicant's operational capacity.	
Employer	Means companies that are registered in terms of Companies Act. Employers include levy paying and non-levy paying companies as defined and described in the Grant Regulations of 3 December 2012.	
	Is a person, company or organisation that hires employees and pays them for work done. The employer could be a government department or entity linked to that department, public entity, private company/entity, NPOs, HEIs, colleges etc.	
Entity	Means an organisation legally established in terms of relevant establishment laws such as the Companies Act, various education legislation, NPO Act No. 71 of 1997, Public Service act No.103 of 1994 and the Constitution of the Republic of South Africa of 1996.	
<b>Evaluation Process</b>	Means the process of assessing DG applications for PIVOTAL or non-PIVOTAL applications along the compliance, evaluation, due diligence/workplace approval and approval and award stages of the DG process.	
Hard to fill vacancies	Means Vacancies that take the employer a period of twelve months or more to find suitable candidates to fill vacancies.	

TERM	MEANING
Learning Programme	Means a structured and purposeful set of learning experiences that lead to a qualification or part-qualification, or a set of knowledge, skills and competencies. This may include AET, learnerships, apprenticeships, skills programmes, internships, work experience, candidacy, bursary and any other set of learning which may or may not include a structured work experience component.
Lecturer Development	Means CET (Community Education and Training) or TVET (Technical and Vocational Education and Training) lecturers placed at Food and Beverages Manufacturing companies for workplace exposure and to be capacitated on latest industry requirements.
Levy Paying Company	Means an employer who is compelled to pay skills development levies in terms of section 3(1) of the SDLA. If the company has staff registered for PAYE/UIF/SDL and the annual payroll exceeds R500 000 per annum, the company must register with SARS and pay a skills levy of 1% of the monthly payroll.
Mandatory Grant	Means funds designated as mandatory contemplated in regulation (4) of SETA Grant Regulations to fund the education and training programmes as contained in the Annexure II submitted to a SETA.  A mandatory grant is a reimbursement on a skills levy contributed by the organisatio It shall not be viewed as income to an organisation and therefore is not taxable. purely intended for the training and development of employees.
Non-levy Paying Company (NLPC)	Means an employer employing less than 50 employees with an annual payroll less than R500 000 and who is exempted from paying skills development levy by SARS. If the non-levy paying employer is a profit company, then that company must fall within the food and beverages manufacturing sector, however, if a non-levy paying employer is a NPO then it must develop skills of beneficiaries within the food and beverages manufacturing sector.
Non-PIVOTAL Programmes	Means credit and non-credit bearing learning interventions. Non-credit bearing interventions not leading to qualifications or part qualifications, must still address the key objectives and priorities of the FoodBev SETA. Non-PIVOTAL programmes also include but are not limited to research, evaluation, innovation, innovative projects and other non-learning delivery interventions core to the achievement of the FoodBev SETA mandate and strategy.
Occupational Qualifications	Refers to qualifications associated with a trade, occupation or profession through work-based learning and consisting of a theoretical and practical component that is unit standards based
Part Qualification	Means an assessed unit of learning that is registered on the NQF as a part qualificatio

TERM	MEANING	
Person with Disability	Means persons who have a long-term or recurring physical, including sensory, or mental impairment which substantially limits their prospect of entry into or advancement in employment. The concept is further explained as follows:	
	Firstly, a person must have an impairment – an impairment may either be physical or mental or a combination of both. A physical impairment means "a partial or total loss of a bodily function or part of the body". It includes sensory impairments such as being deaf, hearing impairment or visual impairment;	
	<ul> <li>Secondly, the impairment must be long-term or recurring. Long-term impairment is that which has lasted or is likely to persist for at least 12 months and recurring impairment is one that is likely to happen again.</li> <li>Thirdly, the impairment must be substantial in that the effects of the disability are more than minor and substantially limit a person's ability to perform essential functions of the job for which she/he is being considered.</li> </ul>	
PIVOTAL	means Professional, Vocational, Technical and Academic Learning programmes	
(Sectoral Priority Occupations)	that result in qualifications or part-qualifications on the National Qualifications Framework as contemplated in Regulation 3(6) & (7) as read with regulation 6 (11) to (15).	
	<ul> <li>Professional learning programmes shall mean programmes that lead to designations that are registered by professional bodies.</li> </ul>	
	<ul> <li>Vocational learning programmes shall mean trades and artisanal programmes that lead to a trade and/or the National Certificate Vocational (NCV).</li> </ul>	
	<ul> <li>Technical learning programmes shall mean programmes that are occupationally directed and registered by the SETA. Such programmes include apprenticeships, learnerships and skills programmes.</li> </ul>	
	<ul> <li>Academic learning programmes shall mean programmes that lead to academic qualifications such as Certificates, Higher Certificates, Diplomas and Degrees.</li> </ul>	
Workplace Approval	Is the process of assessing the workplace's capacity to deliver on the structured workplace component of a learning programme.	
Workplace Skills Plan	Means a strategic document that articulates how an employer intends to address the training and development needs in the workplace during a forthcoming year
